

	LUCKY ENGINEERING WORKS	
	Products Range	
SR NO		
1	CNC Turned Components	
	• Precision shafts	
	• Threaded component	
	• Bushings & Couplings	
	• Spacers / Sleeves	
	• Pins / Studs	
2	Automotive Machined Parts	
	• Engine components	
	• Transmission shafts	
	• Gearbox components	
	• Steering components	
	• Suspension parts	
3	Hydraulic & Pneumatic Components	
	• Hydraulic fittings	
	• Valve components	
	• Cylinder parts	
	• Adapter fittings	
	• Connector components	
4	Industrial Machine Components	
	• Machine shafts	
	• Rollers	
	• Bearing housings / Coupling hubs	
	• Mounting flanges	
5	Custom CNC Machined Parts	
	• Prototype parts & Low volume production	
	• High precision components & OEM custom parts	
	Capabilities :	
	• Batch production	
	• Tight tolerance machining & Prototype development
